RE: Docket 05-00311: Petition of Trinsic Communications, Inc. and Touch 1 Communications, Inc. for Authority to Provide Security in Connection with Financing

Dear Ms. Conway:

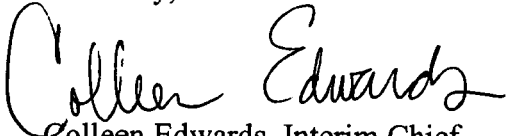

In order to fully analyze the above-referenced petition, the Tennessee Regulatory Authority (TRA) requires additional information. Please provide the information requested below by December 2, 2005, and refer to this correspondence as Data Request No. 1 in the response.

1. Have both Trinsic and Touch 1 applied for approval for financing from any Federal agency? Have they notified any Federal Agency? If so, what is the status of any such application or notification?
2. How many customers do both Trinsic and Touch 1 currently have in Tennessee?
3. Provide copies of all current CCNs issued with the Authority for both Trinsic and Touch 1.
4. Per page 2 of the Petition filed with the Authority on November 14, 2005, it certifies that it is anticipated that the Loans will be secured by the Petitioners' grant of a security interest in all of their assets ( the "Collateral"). Provide documentation of the specified assets that would be used as security for the proposed financing arrangements and/or loans.
5. Confirm that both Trinsic and Touch 1 will continue to operate and/or provide service under their current name and CCNs issued with the Authority, and their business licenses.
6. Provide the most recently independently audited balance sheet and operating statement of revenues for both Trinsic and Touch 1.
